Dear Colleague:

Please join your Federal, State and local government and business partners at the Government Learning Technology Symposium (GLTS) being held in Baltimore, Maryland on July 15-17, 2001. GLTS is focused on sharing new information, experiences and lessons learned in using learning technology in the government. There will be 27-30 workshops and presentations on everything from multi-media training for basic skills to virtual universities. You may also attend the one-day pre-conference on learning management systems on Sunday, July 15, 2001. We think you will find GLTS both informative and stimulating.

GLTS is being convened as a conference within the Department of Labor's Joint Employment and Training Technology Conference (Jett*Con) at the Baltimore Convention Center. Plan to attend all 2 and one half days filled with an opening plenary, networking reception, workshops and a fun-filled evening at Camden Yards. For more information about Jett*Con, GLTS and to register, please go to www.jettcon.org or www.flx.gov and click on Government Learning Technology Symposium.

If you have questions about GLTS, please email or phone Etta Williams at williamse@flx.gov or 703-575-4378 or George Koch at kochg@flx.gov or 703-575-4357.

We hope to see you at GLTS.

Sincerely,
GLTS Planning Team
